ACADEMY

## Aspire Figure Skating Program

---

Aim Higher with Aspire!

***\*Our detailed curriculum is exclusive to Premier Skating Academy. It is based on over twenty years of research in figure skating technique!***

***\*Skaters are highly encouraged to attend two or more classes per week to see effective progress and to learn a lot!***

***\*Skaters in Aspire are not formally tested since there's so much to learn, and it takes some time before mastering these techniques***
